Read :

1. From the Project Director, Tamil Nadu Health System Project Letter Rc.No.7301/E1 TNHSP /JICA/2015, Dated :18.2.2016.
2. G.O.(Ms).NO.348 Health Family Welfare (EAPII-1)Department, dated.28.03.2016.

ORDER:

The Department of Economic Affairs, Government of India has invited project proposal for Japanese International Cooperation Agency (JICA) Overseas Development Assistance loan(ODA) for the financial year 2014 to improve the Urban Health Services. A detailed Draft Project Report for Tamil Nadu Urban Health Care Project with the following five major components was proposed for loan under Japanese International Cooperation Agency(JICA):-

- (i) Upgrading of three Tertiary Hospitals (Facilities and Medical Equipment)
- (ii) Strengthening of fourteen Referral Hospitals (Medical Equipment)
- (iii) Strengthening of four secondary care hospitals (Facilities and Medical Equipment)
- (iv) Strengthening Hospital Management (21 facilities)
- (v) Strengthening Primary Health Care in Non-Communicable Diseases (2 Regional facilities)

2. In this connection, the Department of Economic Affairs, Finance, Government of India had arranged a meeting for discussion for Overseas Development Assistance(ODA) Loan and process finalization. After a detailed discussion, Ministry of Health and Family Welfare, Government of India has accepted the Detailed Project Report (DPR) and Minutes of Discussion(MOD) has been signed by Ministry of Health and Family Welfare, Government of India, Health and Family Welfare Department, Government of Tamil Nadu and JICA, India. The Japan International Co-operation

agency placed the Project in their Board Meeting at Tokyo on 25th January, 2016 following which the Government of Japan has issued a pledge. Exchange of Notes (E/N) and loan agreement between Government of India and Government of Japan has been signed on 31.3.2016.

3. The JICA will provide 85% of loan amounting to Rs.1387.87 crore (JPY 25,537 million). The State Government will provide 15% of the above project cost i.e Rs.255.82 crore (JPY 4,523 million). The total project cost is Rs.1633.695 crore (JPY 30,060 million). The base year for cost estimation is 2015. The project period is for seven years 2016-2022. The interest rate is 0.30% with 40 years term with 10 years grace period for loan repayment period for the above project.

4. In the Government Order second read above, the Project Director, Tamil Nadu Health system Project has been placed to look after the activities relating to Tamil Nadu Urban Health Care Project.
